

9th Annual Arc 5K/10K Run/Walk! Saturday, October 5, 2024

72 Years of Service

We cordially invite you to participate as a sponsor of Arc Run 2024! As in past years, this event will raise money for MidState Arc's community-based services to benefit people with developmental disabilities and their families. What sets us apart from all other Arc Runs to date? This year we are celebrating 72 years of service with our 9th Annual Arc Run!

This year runners can choose to run 5K or 10K on our USA Track & Field (USATF) certified course that will begin and end at 74 S. Broad Street, Meriden, CT. This onsite event will travel through Meriden and Wallingford to highlight our deep roots in these communities. Cash prizes for the top runners will be announced in our Awards Ceremony where we will also acknowledge our sponsors, including you! As an Arc Run 2024 Sponsor, we want to be sure to thank you and publicize your sponsorship onsite and through this year's enhanced online presence. We can't do the work we do without your support!

Your sponsorship helps by:

- Encouraging people to get out in the community or in their own neighborhoods and be active;
- Promoting your Company/Brand and Giving to a great cause!

Your help – through a business or individual sponsorship – will support a proud tradition of 72 years of service provided by MidState Arc, Inc. for individuals with developmental disabilities and their families.

Please consider:

- Sponsoring Arc Run 2024 with a generous donation;
- Spreading the word through your business email, social media, and with friends and colleagues;
- Running or walking the onsite route yourself!

For more information, please feel free to call us or visit our website. We thank you for your support!
